

AMENDMENTS TO CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (Currently Amended) A wireless input device, comprising
a body having an opening; and
a power-supply module arranged to carry at least one battery;
wherein the power-supply module is arranged to be inserted into said opening to carry at least one battery to be inserted into the opening in order to supply power from said battery to said pointing wireless input device, and said power-supply module being arranged to be drawn out from the opening for replacement of the battery.
2. (Currently Amended) The pointing wireless input device as claimed in claim 1, wherein the body has a circuit board, and at least a metal plate extending from the circuit board for electrically contacting the battery.
3. (Currently Amended) The pointing wireless input device as claimed in claim 1, wherein the power-supply module has a carrier for containing the battery;
each of the side of the carrier having a flange, and correspondingly each side of the opening having a groove for receiving the flange.
4. (Currently Amended) The pointing wireless input device as claimed in claim 1, wherein the power-supply module is fixed to the body by a fixing device.

Serial Number 10/620,334

5. (Currently Amended) The ~~pointing~~ wireless input device as claimed in claim 4, wherein the fixing device includes a hook located on the body, and a recess correspondingly located on the power-supply module.

6. (Currently Amended) The ~~pointing~~ wireless input device as claimed in claim 1, wherein the pointing device is a computer mouse or trackball.

7. (Currently Amended) The ~~pointing~~ wireless input device as claimed in claim 1, wherein the pointing device is a wireless input device.

8. (Currently Amended) The ~~pointing~~ wireless input device as claimed in claim 7, wherein the input device is a game controller.
